SINGER & CO.'S
Letter A
Family Sewing Machine

Family Sewing Machine
—WITH—
All the Recent Improvements,
IS THE
BEST, CHEAPEST,
AND MOST
Beautiful of All Sewing Machines,

THIS MACHINE will sew anything, from the running of a tack in Tarterton to the making of an Overcoat—anything from Pilot or Beaver Cloth down to the softest Gauze or Gossamer Tissue, and is ever ready for a work of any kind.

The Letter A Family Machines

IN A great variety of cabinet cases of every imaginable design and finish. No family should be without one. The Letter A Family Machines are made of the best bread, should have one; the Vest or Dress Maker can not do without one; the Farmer, who wishes to economize in the cost of his clothing, should have one. The SINGER & CO., having received the GOLD MEDAL for two successive years at the American Institute, as well as the GOLD MEDAL at the "Universelle Exposition" at Paris in 1889, and having their machines used extensively by the French and British Governments in the manufacture of uniforms, and by the United States, in which they are used in the United States, does away with the necessity of any other sewing machine at the annual State or County Fairs for diplomats.

A Family Sewing Machine cannot be justly called a luxury, for it is a necessity, and is so ought to be able to sew neatly and well all kinds of work, and to give and preserve persons the saving of labor of any value, or that is desirable to prevent the larger portion of our race from wearing out their strength, and thus rendering them so fully as- fford to be without a good Sewing Machine.

For the purpose of procuring a Sewing Machine for her dear husband, the Family Sewing Machine will prove a treasure. No mother can dream of her children being without it.

To the Farmer, who wants to clothe his sons and daughters, and "men-servants and maid-servants," it is a necessity, and is so indispensable.

Persons wishing to see the Singer Machine in operation, are invited to examine its working capacity at the Free Goods Store of J. J. SHAW, where persons at all times can see the Machine in operation, and be fully satisfied.

All and all kinds of the Singer Machines will be furnished at the lowest prices.

A. J. SHAW & Co., Agents,
and all instruction necessary for successfully working them.
